

YOUR ASSEMBLY AND CARE GUIDE

JAY-BE®

Your Guest **BED** Specialists

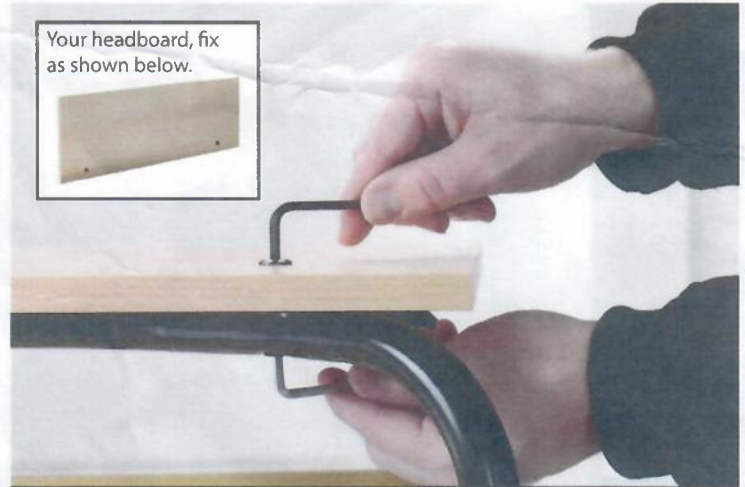

REF: INS1058

PREPARING YOUR BED FOR USE

STEP 1: ATTACH THE CASTORS

Open your bed by releasing the clip and remove the mattress. Turn your bed upside down and attached the castors as shown. A spanner (not supplied) will be required to ensure the castors are fully secure.

Your headboard, fix as shown below.

STEP 2: FIT THE HEADBOARD (SHOWN UPPER LEFT)

Return your bed to its normal standing position and fit the headboard using the bolts as shown.

YOUR BED IS NOW READY FOR USE

With the castors and headboard fitted your new folding bed is ready for use. Remember to store the plastic clips somewhere safe as you will need these to secure the bed when in its folded position. Enjoy using your new Jay-Be folding bed.

Please note, not all models include a Headboard.

TAKING CARE OF YOUR NEW BED

To clean your bed, use a clean damp cloth.
To store your bed, we recommend that it is covered and situated in a dry area at normal room temperature.

FOR YOUR SAFETY (IMPORTANT)

A folding bed is designed to lie on and weight should be spread evenly. Do not stand on the bed. We also recommend that you check the bed before using it. Do not use the bed if a part is broken, torn or missing.

Maximum weight should not exceed:
140kg / 22 Stones / 308lb*

*This weight is a guideline only, based on the results of tests carried out in accordance with specific British and European standards. We advise that each adult should check and assess the product before using it, judging its suitability and safety for use, based on their own physical condition. Please retain these instructions for future reference.
