### CAUTION

There are many small components used in the construction of this unit. These loose items should be kept away from young children whilst assembling your unit. As an extra precaution, screw cover caps should be permanently fixed in position. (Where applicable).

Because we constantly try to improve the quality of the components, occasionally they do differ slightly from the diagrams shown here. Any spare components can be thrown away once the assembly is complete if they are not needed. We reserve the right to change the specification of furniture without prior notice.
